Smug

Author's Notes:
Eeee, first Helloween! *blush*

Andi could be smug. Dani knew it, but he didn't realize how much he liked it until he found the perfect vantage point.

The burgundy wine sloshed inside of the green glass, Andi's long fingers curling around the neck of the bottle. He held it out from his hip, while his other hand laced in Dani's hair. Dani moaned against his mouthful, working his tongue forward and back, but his eyes stayed on Andi's hand. The small gesture of disinterest made Dani arch, and his knees pressed against the floor.

He knew Andi could be smug. But he liked it.
